Subject: Comparison of the Scope of Work Minus the Footnotes and the Letters
Attachments: Final SOW Comparison File.docx

Hi Everyone,

I am attaching the comparison of the main body of the SOW, minus the footnotes.

Ex. 5 AC/AWP/DP

Ex. 5 AC/AWP/DP

I am going back to check the attachments in both documents. I also going to copy the letters attached into the SOW into Word just to check them. They are highlighted as different here because I didn't copy them in yet. I will do that now.

Sorry this is taking so long, but I don't know how else to do this. I asked my administrative assistant to try printing and scanning the documents on one of the printers at work that has optical character recognition and he said that would not work because there are too many other characters.

Jenny
